Miss Sophie Kaestli  
Providence Utah

Dear Sophie

I did not know that I could miss you so much untill you had been over here I do not know wether I can waite untill Sunday or not before I come over to see you yesterday after I came back from your home myself and Lynn went up town and bought three stoves two ranges both charter Oak just alike one for you and one for Lynn and a eating stove for you I have it already put up in order to dry the paper and the flowers I have a woman scrubbing and cleaning the

rooms and I sold three old stoves Lynn as just cooked the first meal on hers and <sup>the</sup> girls are just tickled to death with it and I bought three window blinds and curtain poles I am feeling just fine and hope these few lines will find you - feeling the same please kindly remmember me to your Father and Mother also your Brather Joseph I am very kindly your loving friend
